

Meditations in preparation for the "Solemnity of St. Joseph"
Institute Servants of the Lord and the Virgin of Matará

Meditation: Day 15 (March 3)

"Joseph most Prudent"

Pray for us

The virtue of prudence is what disposes the reason of each person to discern the true good for them for each circumstance, and to choose the appropriate means to achieve it.

Prudence served as a guide for St. Joseph to happily carry out his mission from God to be a Guardian of Jesus and the husband of the Blessed Virgin Mary. He knew how to make necessary decisions at all times, always seeking to act according to the law of God.

We must ask ourselves; do we always work prudently? In the different circumstances of our lives, do we work wisely by choosing and acting according to what God wants or asks of us?

Let us ask St. Joseph for the grace to act with Prudence and carry out what the Lord has prepared for each one of us.
